

What is LACDL

LACDL was formed by a group of criminal defense lawyers in 1985.

Almost three decades later and within more than 600 members throughout Louisiana, it remains a vital cornerstone of support.

Membership in LACDL means joining your fellow defenders in the struggle for liberty, individual rights, the basic principle of due process and the fundamental right to a fair trial.

LACDL affords its members the opportunity to network with peers who share in the passion to protect individual rights and those of the accused. With membership in LACDL, you are not alone!

Purpose & Mission

To protect and insure by rule of law those individual rights guaranteed by the Louisiana and Federal Constitutions in criminal cases;

To resist any efforts which are being made to curtail these rights;

To encourage cooperation between lawyers engaged in the furtherance of these objectives through educational programs and other assistance;

And through this cooperation, education and assistance to promote justice and the common good;

To assist the courts, legislature, and law enforcement agencies in accomplishing their legitimate functions consistent with the rule of law and the protection of individual rights guaranteed by the Louisiana and United States Constitution.
